

Fuencaliente de La Palma

Los Canarios Rest Area

English edition

Updated on 10 September 2026

This rest area is easy to reach by car from the centre of Los Canarios: leaving the village, take the road that leads to the football pitch and the area is on the right, on a hill, with fine views of the San Antonio volcano and of Los Canarios.

It has a covered picnic shelter with wooden tables, a drinking-water tap, toilets, a barbecue, cooking hearths and a store room, on a terrace of volcanic stone walls beneath the pine forest. It is the village's place for family and group meals, and it is a short walk from the centre and from the sports courts.

Fires are allowed only in the barbecue and the hearths, and are banned when the fire risk is high; it is worth checking in summer. For more information: Fuencaliente de La Palma Town Council, +34 922 444 003, and Tourist Information Office, +34 615 390 616.
