

Fuencaliente de La Palma

Teneguía Winery

English edition

Updated on 7 September 2026

Founded in 1947, this winery gathers the knowledge and tradition of centuries of effort and adaptation to the harsh conditions of the south of the island of La Palma. For more than 70 years our cooperative has been one of the references of the wine world in the Canary Islands.

Having gone from necessity to excellence, today we hold numerous international awards that speak of the quality of our wines, made from traditional grape varieties, and especially of the incomparable Malvasía Aromática Naturalmente Dulce, an ancestral jewel that is at home in Fuencaliente.

We are proud to defend this legacy today, along with the dedication of the more than 200 families who keep our countryside and our landscape alive.
