Discover the route

The Walk of Fame of Los Canarios runs along the pedestrian Calle San Antonio, between the church and the Town Hall, where the GR 131 passes. Its plaques pay tribute to the men and women who since 2016 have reached the top step of the podium at the Transvulcania, the mountain race that sets off every year from the Fuencaliente lighthouse and crosses the island along the Ruta de los Volcanes, considered one of the toughest in the Canary Islands. The timeline covers the 16 editions held between 2009 and 2026; there was no race in 2020 or 2021. Next to the walk, the sculpture of El Caminante remembers everyone who crosses the municipality on foot.
